THIS EDITION OF
OUR 2021 CATALOG
MARKS A NEW STAGE
IN THE LIFE OF THE
WERZALIT® GROUP.

Being a key actor in the manufacture of moulded laminate tabletops for more than 60 years is a constant adaptation: **our** ambition is to constantly meet **your** needs.

By adapting the original Werzalit products, we go even further in **our** support by **your** side. To assert our role as a quality partner, our technical teams are constantly on the lookout for innovations. **We are** delighted to be able to **offer you**:

- hygienic tabletops, on which 99.7% of bacteria are eliminated after a simple cleaning with water and soap.
- eco-responsible tabletops, made with the greatest respect for nature and 100% from recycled wood.

The professionalism of the Werzalit group also means offering you complete solutions, made in France, with:

- a Top 20 and Top 50 with permanent stocks and fast delivery.
- technological innovations such as the Ipan Ipan phone charging area or the NoRock self-stabilizing table bases.

Our responsibility at Werzalit is not only sanitary, sustainable or innovative, it is also aesthetic: **our** range is expanding with the arrival of "massive" indoor tabletops which offer a unique charm and a refined style to **your** rooms.

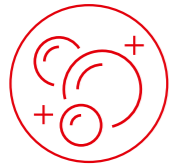

Friends restaurateurs, cafetiers, brewers, **we are** and will remain wholeheartedly **with you**, and more than ever in these troubled sanitary times, **we are** proud to work **alongside you**.

Pascal Schuster
President

THE ORIGINAL

SERVICES

werzalit®
since 1923.

HYGIENIC

Our tabletops have been subject to do numerous **laboratory tests**, the results have shown **excellent resistance to fungi and bacteria**. Thanks to our material, more than **99.7%** of bacteria is eliminated after a simple cleaning with soapy water, which allows **easy maintenance** and **safe use**.

FRENCH PRODUCTION

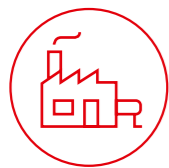

The quality of French production, widely recognized, based on our **know-how**, has enabled Werzalit to offer the highest quality products on the market since 1923.

The thoroughness and quality of the work of our **employees** at the **production site** located in Rochefort (17) allow us to produce and deliver **throughout Europe** and **the world** at **any time of the year**.

ENVIRONMENTALLY FRIENDLY

The **choice of materials** and the **manufacturing process** comes with the **greatest respect for nature**. Our products are made from **100% recycled wood**. We optimize waste from the wood industry.

INDUSTRIAL

Our capability as an industrial key player in the market since 1923 allow us to display **recognized production quality** as well as **exemplary local service**. Our tabletops are **guaranteed for five years**, **waterproof** and **UV resistant**. Ideal for indoor and outdoor use.

TOP 20/50

Our selection of decors adapts to your needs, from a **choice of 8 formats and 50 decors** for **multiple possibilities** and warm atmospheres. As a manufacturer these 400 possibilities are kept in stock to better anticipate the needs of restaurateurs throughout the year.

Maintaining a good stock level is Werzalit key to efficient delivery.

For the bare tabletops:

THE TOP 20

is available for shipment within five days maximum.

THE TOP 50

is available for shipment within fifteen days maximum.

INSERT APPLY

By **4** or by **8**

The application of inserts greatly facilitates the assembly of tables and saves considerable time during installation.

PACKAGING ADAPTED TO YOUR NEEDS

- Per carton containing two products
- Per carton containing one product
- By full palette

BISTRO

The first manufacturer to bring you the tradition of Ø 60, Ø 70 rimmed outdoor tabletops, we guarantee a quality to provide you with 55x55, 60x60 and 70x70 framed outdoor tabletops.

POD, THE CREATION

Werzalit, the **French manufacturer**, is always one step ahead with **innovative creative lines** and **consistently updating on demand products**.

In addition to our existing library and as a true fashion designer, several themed collections will be offered during the year.

Innovation

IPAN IPAN

Werzalit & Ipan Ipan have joined forces to offer you the best wireless charging solutions at the table!

Completely embedded into the substrate and invisible on the surface, the induction charging zone blends into the decor with a simple marking on the tabletop. The furniture thus retains its integrity for a perfectly smooth touch and a hygienic surface.

Outdoor & indoor

No power connection

4-battery charger

Locked batteries

Liquid resistant

Ready to use

8 days of autonomy

2 USB ports

1 wireless charging zone

About **50%** of consumers will be willing to stay longer or consume more if they can charge their devices.

64% of consumers want to charge their phone or tablet in the establishment they are.

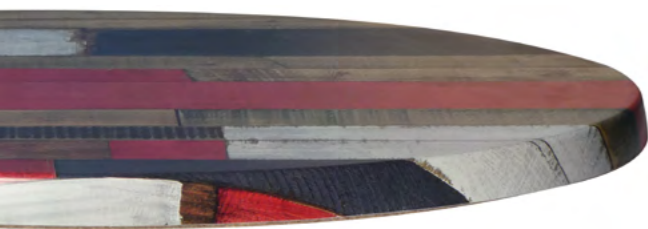

IPANIPAN

werzalit®
since 1923.

- Resolution 300 dpi minimum & scale 1:1 - Conditions: see technical costs and current prices.

werzalit®
since 1923.

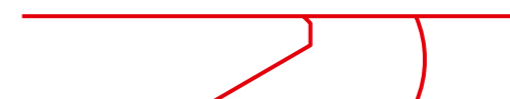

Indoor & Outdoor

CARINO

The Carino tabletop is the elegant and functional product of the solutions offered by Werzalit. This standard collection offers a wide variety of designs for terraces with character, while meeting the quality and price expectations of professionals. These tabletops are customizable and UV resistant.

3 edge shapes

slope rounded straight

10 - 12 mm thick. Original size.

Compact HPL

CARINO

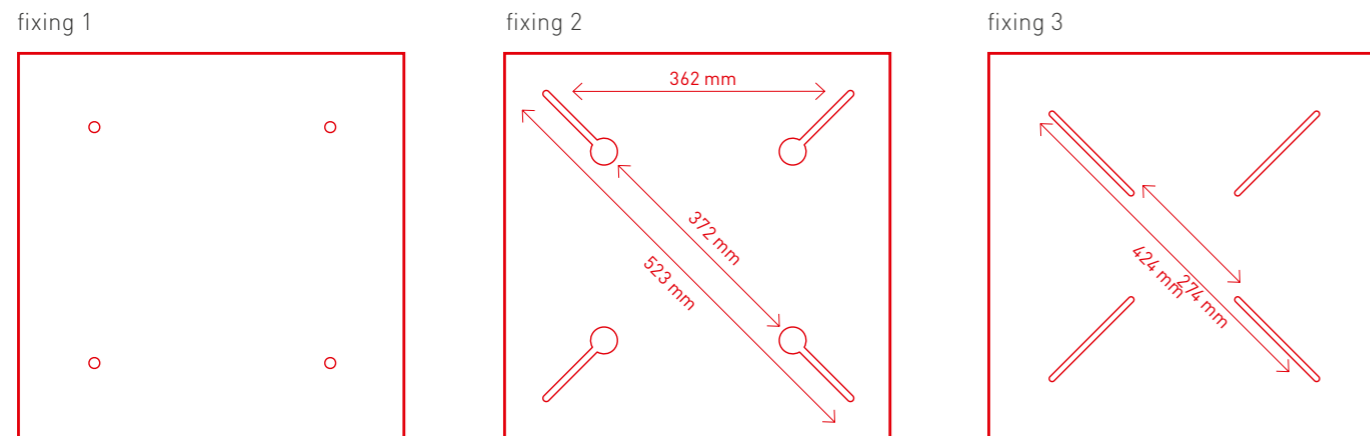

Carino tabletops are customizable

The Carino collection, in addition to its remarkable aesthetic appearance, is UV resistant and can be used outdoors. It is compatible with the decorations of the Top 20.

Finitions

Fixing solutions

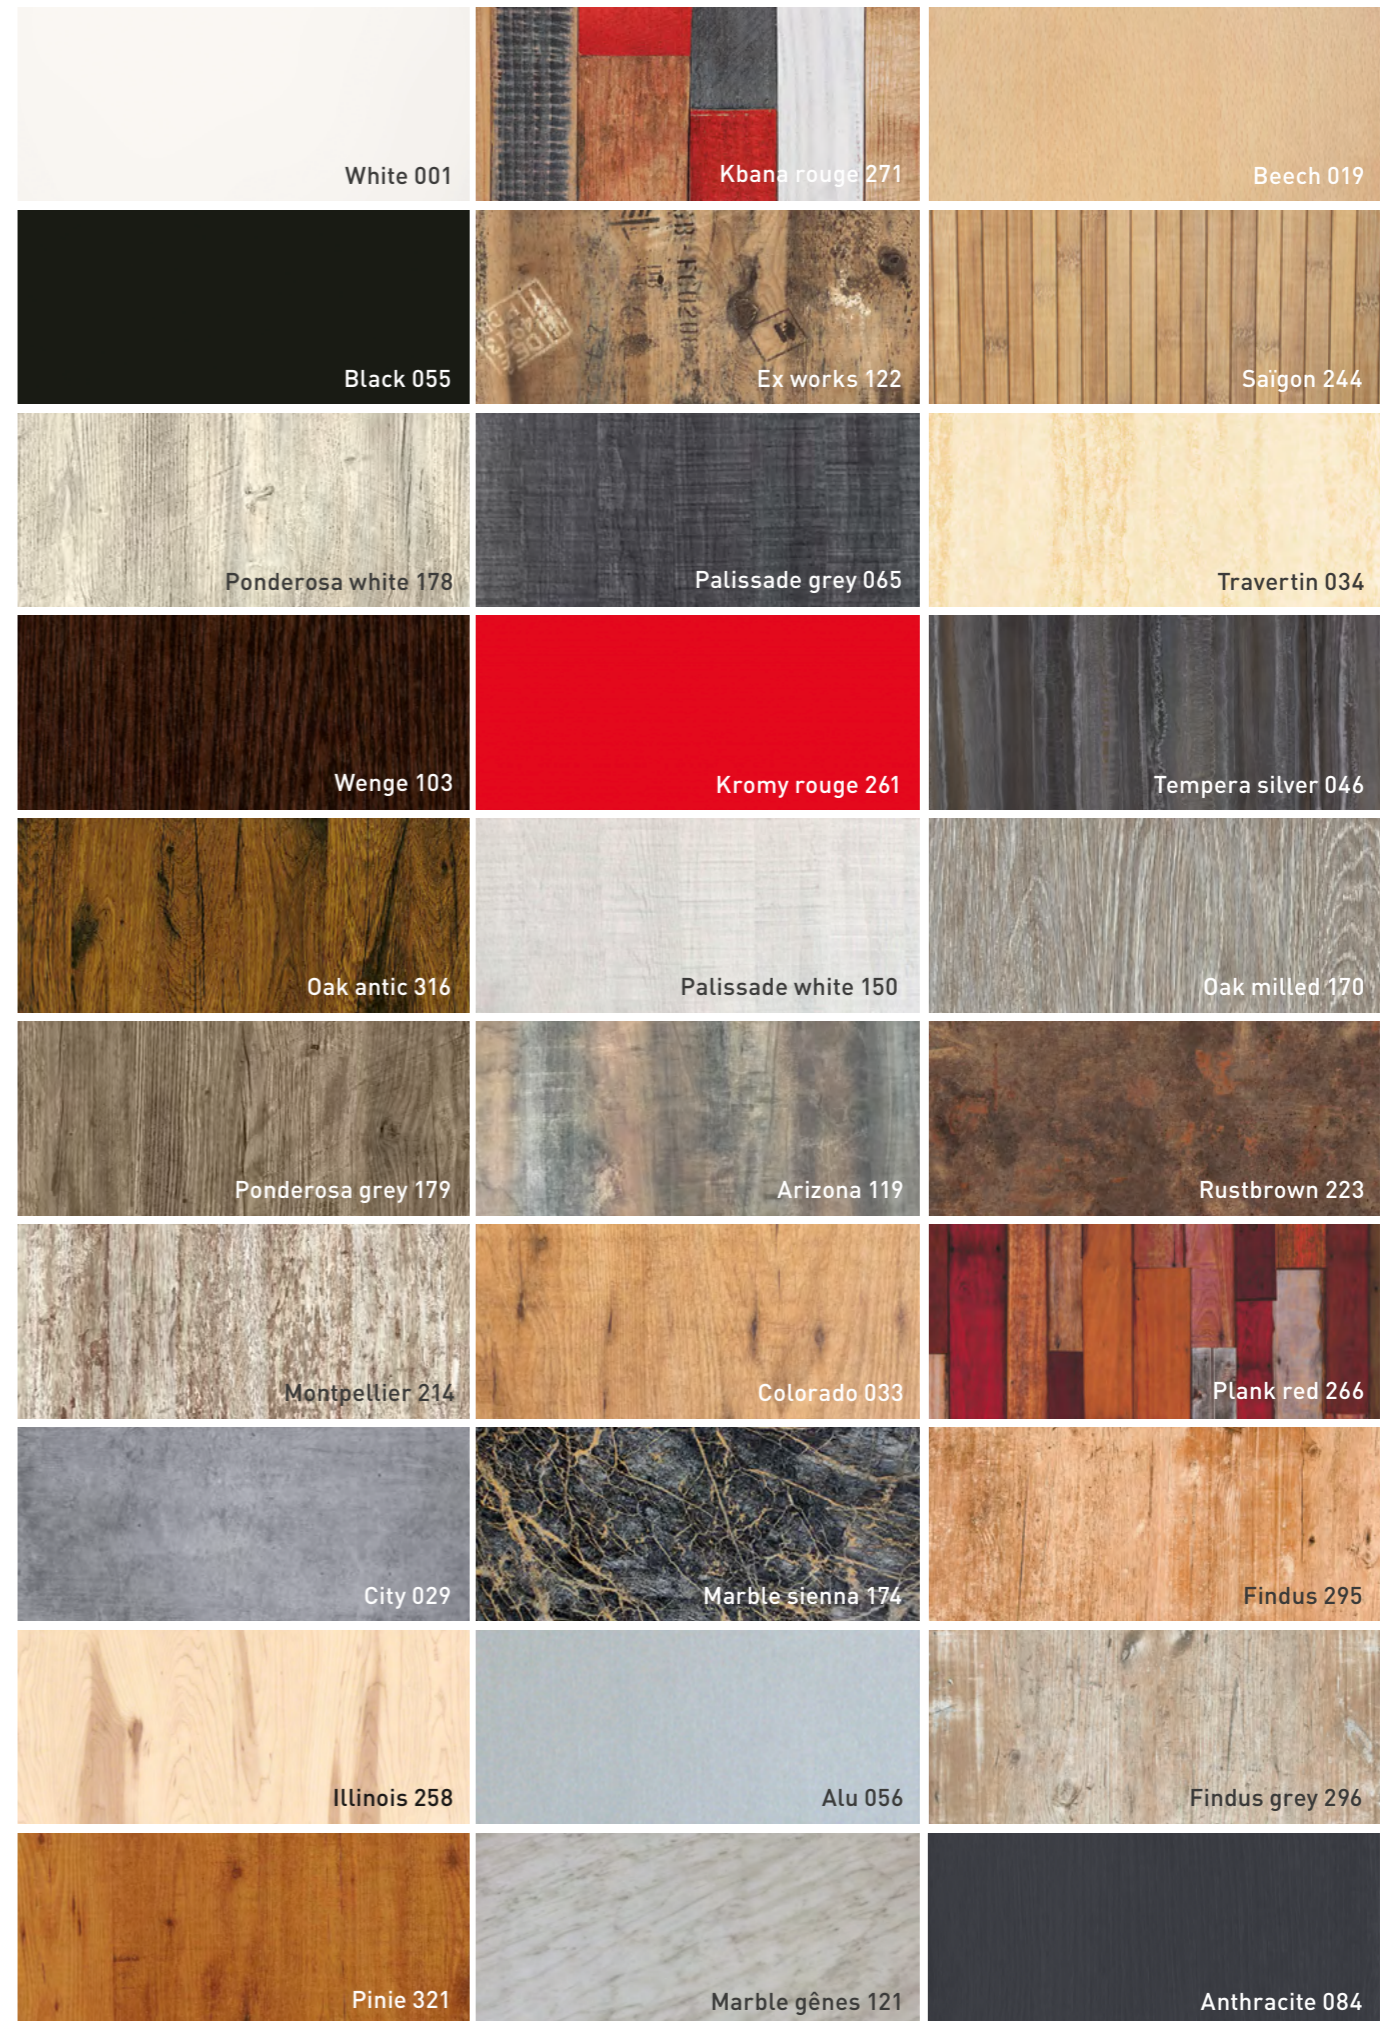

Installation of inserts for M6 screws.

The secure mounting system using grooves milled on one side allows the tops to be fixed to all conventional bases without drilling. Groove length 200 mm. Special screws.

The Eco fixing system consists of a 3.5 mm wide rain, in which we fix the bases using special 6x12 screws. Screws included.

MASSIVE

The new collection of solid wood indoor tops from Werzalit. Enjoy the durability and elegance of real solid wood in your business or restaurant. Through these tops you will find the aesthetics and the inimitable authenticity of the solid oak that your indoor needs.

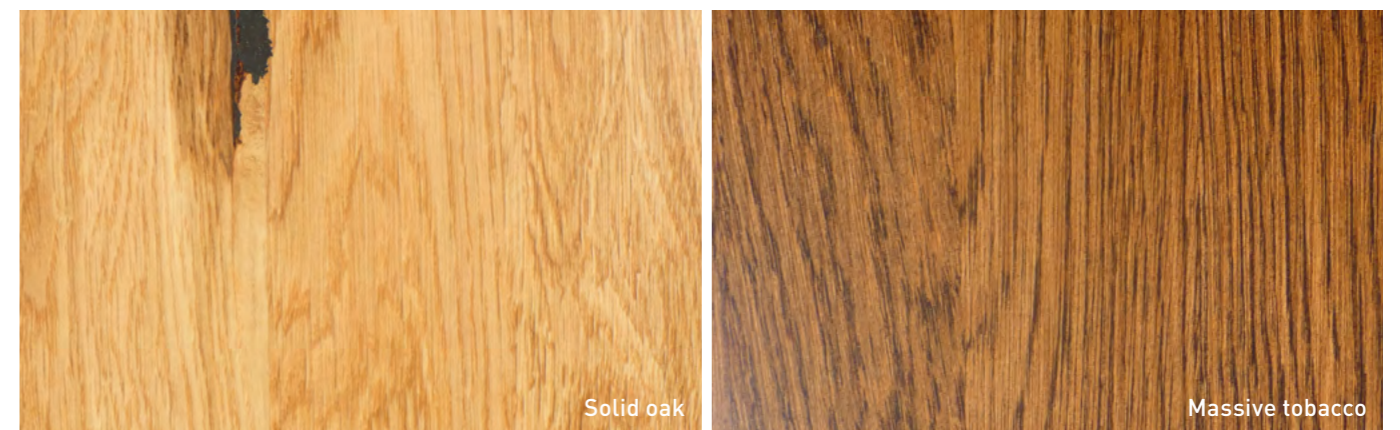

Cambium Indoor
SYNCHRO

The realism of the wood grain ribs and Halifax oak knots are eye-catching, while creating the most authentic decor in line with the furniture trend with solid wood character. It lives very well in combination with metal, glass and stone. The ST37 Feelwood Rift synchronized pore surface structure coincides exactly with the grain of the decor and adds a tactile effect close to reality.

TECHNICAL CHARACTERISTICS

Advantage

- A complete range.
- Recognized professional use.
- A design that makes the difference.
- Over 99.7% of bacteria are eliminated with a simple cleaning with soapy water.

- Robust and stable.
- Resistance to bad weather, heat.
- Excellent resistance to humidity.
- Indoor and outdoor use.

MAINTENANCE

Alcohol based solvent
 No abrasive
 Storage
 Do not stack

WARNING

When tabletops are to remain in bright sunshine, it is advisable to select light colours.
 Si les plateaux doivent être soumis à un violent ensoleillement, il est préférable de choisir des décors clairs.

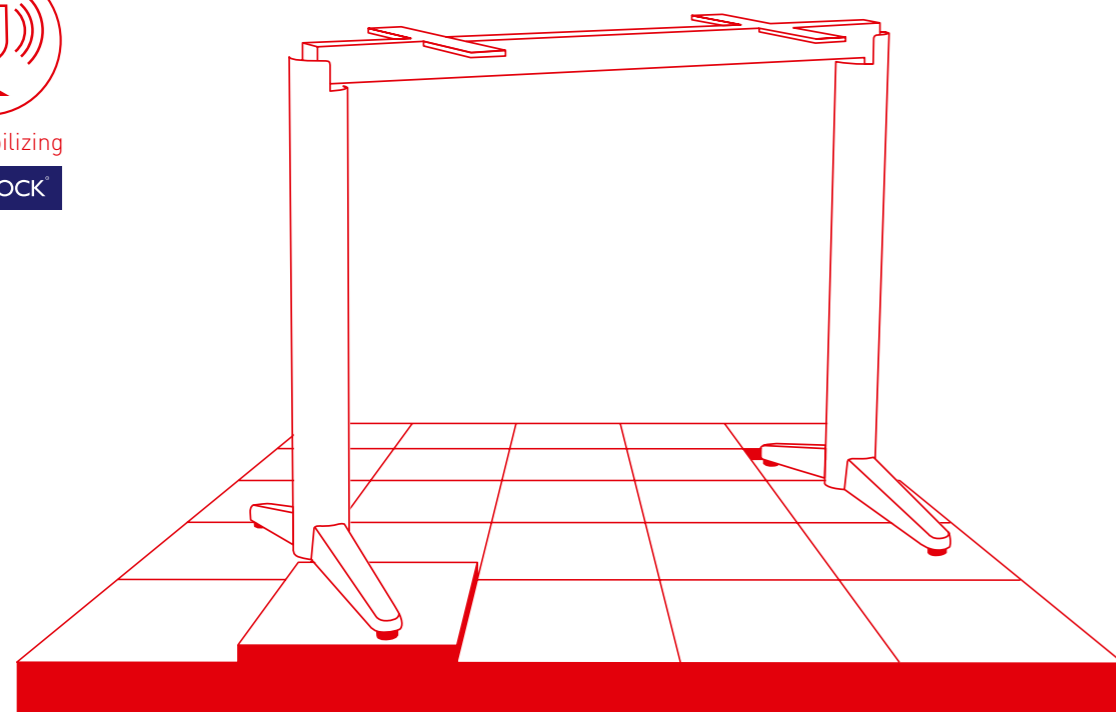

TABLE BASES

Werzalit brings you a complete and innovative selection of high-quality and functional bases. Our table bases will allow you to comfortably host your customers while being practical to store or move.

T-BASE

self-stabilizing

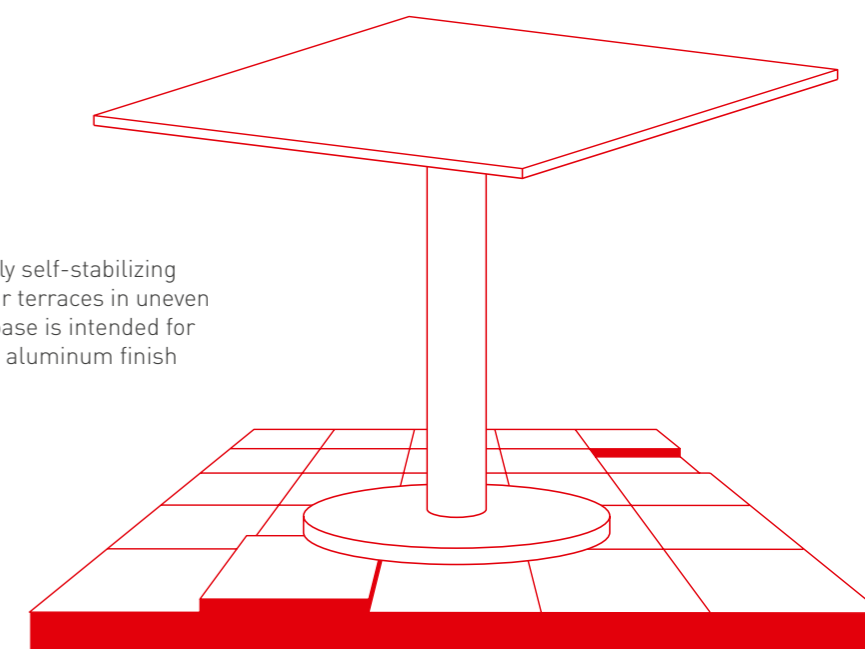

In continuity from the CONTACT X4 solutions, the T-BASE is THE complementary solution for the perfect stability of your rectangular tables:

- It absorbs the imperfections of the ground without any action of your part
- The T-BASE is available in Trail and Street version (page 38)

LUNA

self-stabilizing

Werzalit introduces its Luna innovation, the only self-stabilizing plinth table base. It will allow you to set up your terraces in uneven places without risking losing aesthetics. This base is intended for both indoor and outdoor use, its black painted aluminum finish gives it a simple and refined design.

	WIDTH	LENGTH	HEIGHT	WEIGHT	MAX SIZE

Innovation

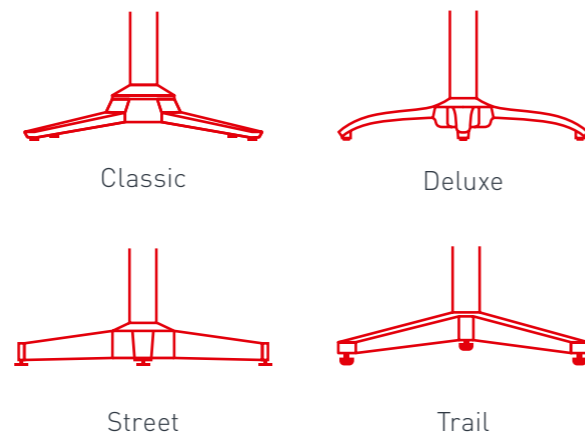

CONTACT X4

The self-stabilizing base

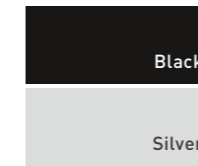

Thanks to patented technology, the CONTACT X4 self-stabilizing base adapts to any irregular surface: cobbled street, gravel, grass, clay.

Simply put the table down and the legs adjust to the floor.

- Indispensable comfort for consumers.
- Time saving for you, professionals.

A large grid of small dots for taking notes, covering the majority of the page.

werzalit®

since 1923.

WERZALIT®, it is more than 60 years of passion for the manufacture of moulded laminate tops.

Beyond proudly claiming our status as a manufacturer, it is the WERZALIT® brand that shines all over the world with a very wide range, quality products, meticulous finishes, and constantly renewed designs.
